Supporting Evidence: On February 24, 2014, Ms. Mueller was court ordered to participate in residential drug treatment. On April 24, 2014, Ms. Mueller was admitted into inpatient treatment at Spokane Addiction Recovery Center. On May 12, 2014, the U.S. Probation Office received notice that Ms. Mueller had absconded from treatment while they were attempting to have her provide a urinalysis test. The treatment center had received information that Ms. Mueller, and another individual, had used methamphetamine which had been brought into the facility. Ms. Mueller was walking to the testing facility with a staff member and advised she would not submit a urinalysis test as directed. The offender then took off running, and absconded from the facility. Her whereabouts are currently unknown.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.
